

Newport High School Newsletter

Newport High School and the community work together to promote the success of each student.

Beginning in January 2018, NHS will have a student of the month for each grade 7-12. Candidates will be entered into a drawing by teachers who have presented a positive office referral to the Principal. Students can get a positive referral by:

- Showing respect to teachers and peers
- Being honest.
- Exhibiting responsibility,
- Having a great attitude, and
- Showing self-control

Students can receive a positive office referral from any teacher on the NHS campus. Each time a student receives a positive referral, their name will go into the drawing for the student of the month.

406 Wilkerson Drive
Newport, AR 72112

The Newport High School FCCLA chapter participated in the Elementary School's Trunk or Treat on October 30, 2017. The theme of their trunk they shared with HOSA and the Junior Class was "It's the Great Pumpkin Charlie Brown!" High school and elementary students had tons of fun! In November and December, FCCLA members will participate in a clothing /toy /household goods drive for the Women's Shelter here in Newport. On December 5, 2017, the FCCLA chapter will attend and represent the NHS chapter at the District III Family and Consumer Sciences Leadership Conference in Jonesboro, AR.

REMINDER DROP OFF ZONES: All car riders are to be dropped off at the Fieldhouse or in front of the main building at the main entrance. All students are to report to the cafeteria upon arrival at school.

Jamilia Wheeler 1st Place Overall—1st Place Standing—1st Place Kneeling—2nd Place Prone.
Chase Prince—3rd Place Prone.

HOSA will host the American Red Cross Blood Drive December 6th in the High School Library.

Flu season is here!

Let's stop the spread and keep the flu out of our school by using the following tips:

- Practice good handwashing with soap and warm water for at least 20 seconds or sing "Happy Birthday" to yourself 2 times while washing your hands. That will be plenty of time to wash the germs away. When you can't wash your hands with soap and water, use hand sanitizer.
- Cover coughs and sneezes with a tissue or shirt sleeve. I encourage everyone to watch a video of a slow motion sneeze and see just how many germs fly through the air when you do not cover your mouth and nose.
- If you have symptoms of the flu and most importantly if you are running a fever of 100.0 or above **PLEASE STAY HOME** and go to the doctor!
- If your child gets the flu and has to miss school, please send a note stating that they have tested positive for the flu. You must be fever free for 24 hours before returning to school. Some people experience vomiting with the flu. You must also be free of vomiting for 24 hours before returning to school. The flu can last anywhere from 3 to 7 days so let's all do our part to keep ourselves and everyone around us healthy!!! (Refer to student handbook, Policy Code: 4.34)

If you have any questions, please let me know. Thank you!! - Nurse Daniels
