

FRESH

**FRUIT &
VEGETABLE**

PROGRAM

The school day just got healthier!

This exciting program starts at *Newport Elementary School* September 1st, 2017. This program will offer a different farm fresh fruit or vegetable each week! Students will savor delicious flavors and learn fun facts. They will also learn about the health benefits of eating fruits & vegetables. This program will be available every **Monday & Wednesday afternoon.**

Please encourage your child to participate each time the food is offered to them!
